**Hello CESC Membership! Skaters, Coaches, Parents & Officials!**

---

Dear Membership! What an extraordinary time we are in. Just a few short months ago, we had our lives in a routine which very much included regularly scheduled skating sessions & lessons. AS of today, we are not sure about anything! Hopefully, we will be able to return to our beloved sport as skaters, competitors, parents, coaches, board members, officials and supporters very soon!

Until then, the CESC Board is continuing to meet and fend our way through this maze. We are working very closely with the AHCI & their representative, Pauline Snyder, Assistant Rink Manager, to keep our membership informed and updated. We are also listening to the USFS for information regarding the CDC recommendations to keep our skaters & coaches safe and thriving.

## **Membership Drive: Renew Your Annual Membership!**

Starting on June 1<sup>st</sup> – June 30<sup>th</sup>, renewals of your USFS membership dues, along with your CESC dues must be remitted. These dues allow your skater to be registered with United States Figure Skating so they can test and compete. You also will receive monthly the USFS publication, Skating magazine.

You can register online at [www.Entryeeze.com](http://www.Entryeeze.com)
